Typical "Full" Truck loads = 20-22 Pallets		<b>TOTALS</b>			\$

**Freight:** Product is available for pick up at our Princeton, MN manufacturing plant, or delivered to your location. We also offer ½ loads, pallet drop service and shared delivery options, when applicable. Replenishment lead times are typically less than 7 days. Deliveries are coordinated via email or phone call within 2 weeks of shipment.

**Typical rates are \$.15-\$.30/bag.** Please call or email for a freight quote and plan customized to your needs.

Pricing is subject to change, as costs nationwide continue to rise.  
**Submit your order by November 12th to lock in your 2022 price on pre-ordered quantities.**
